C1.2 Implementation

Part “A” may include provisions respecting the implementation of central terms by the school board and the union. Any such provision shall be binding on the school board and the union. Should a provision in Part A conflict with a provision in Part B, the provision in Part A, Central Term will apply.

C1.3 Parties

- a) The parties to the collective agreement are the school board or school Authority and the union.
- b) Central collective bargaining shall be conducted by the central employer and employee bargaining agencies representing the local parties.

C1.4 Single Collective Agreement

Central terms and local terms shall together constitute a single collective agreement for all purposes.

C2.00 DEFINITIONS

C2.1 Unless otherwise specified, the following definitions shall apply only with respect to their usage in standard central terms. Where the same word is used in Part B of this collective agreement, the definition in that part, or any existing local interpretation, shall prevail.

C2.2 The “Central Parties” shall be defined as the employer bargaining agency, the Council of Trustees’ Associations/Conseil d’Associations des Employeurs (CTA/CAE) and the employee bargaining agency, the Canadian Union of Public Employees/Syndicat Canadien de la Fonction Publique (CUPE/SCFP).

CUPE/SCFP refers to the designated employee bargaining agency pursuant to subsection 20 (1) of the *School Boards Collective Bargaining Act, 2014* for central bargaining with respect to employees in the bargaining units for which CUPE/SCFP is the designated employee bargaining agency.

CTA/CAE refers to the designated employer bargaining agency pursuant to subsection 21 (6) of the *School Boards Collective Bargaining Act, 2014* for central bargaining with respect to employees in the bargaining units for which CUPE/SCFP is the designated employee bargaining agency. The CTA/CAE is composed of:

1. ACEPO refers to l’Association des conseils scolaires des écoles publiques de l’Ontario as the designated bargaining agency for every French-language public district school board.
2. AFOCSC refers to l’Association franco-ontarienne des conseils scolaires catholiques as the designated bargaining agency for every French-language Catholic district school board.

C3.1 Term of Agreement

The term of this collective agreement, including central terms and local terms, shall be from September 1, 2022 to August 31, 2026 inclusive.

C3.2 Term of Letters of Agreement/Understanding

All central letters of agreement/understanding appended to this agreement, or entered into after the execution of this agreement shall, unless otherwise stated therein, form part of the collective agreement, run concurrently with it, and have the same termination date as the agreement.

C3.3 Amendment of Terms

In accordance with Section 42 of the *School Boards Collective Bargaining Act, 2014*, the central terms of this agreement, excepting term, may be amended at any time during the life of the agreement upon mutual consent of the central parties and agreement of the Crown. It is understood the union will follow its internal approval process.

C3.4 Notice to Bargain

 - i. Continue informal discussions; or
 - ii. Refer the dispute back to the local grievance procedure

- b. Where the central parties have agreed to mediation, the cost shall be shared equally between the central parties. - f. The parties may jointly set down up to 5 (five) grievances for each review.
- g. The mediator shall have the authority to assist the parties in a mediated resolution to the grievance.
- h. Each party shall prepare a mediation brief to assist the mediator, which shall include the following:
 - A short description of the grievance.

The parties will make best efforts to respond to disclosure requests in a timely fashion prior to the hearing.
- c. The central parties shall use the mutually agreed-to list of arbitrators set out in Letter of Understanding #7. Arbitrators on the list will be used in rotation, based on availability. On mutual agreement, the parties may add to or delete from the list during the term of the agreement, as required.
- d. The Parties shall select an arbitrator from the list to subject to their availability to hear the matter within eighteen (18) months, on a date convenient to the parties. If a change is made to the length of the assignment, an adjustment will be made to the allocation and applied retroactively.

e) Refresh Provision for Permanent Employees

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short-Term Leave and Long Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under an LTD plan, is not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short-term leave and disability coverage. A reconciliation of sick leave deductions made and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short-term leave and disability plans.

g) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;

- and is working less than his/her regular hours of work;
- and has sick leave days and/or short-term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short-term disability days remaining from the previous year,

the employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with paragraph c), the Employee will also be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness

Sick Leave Days Payable at 100%

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on the form contained in Appendix C.

Short-Term Disability Leave

In order to access short-term disability leave, medical confirmation may be requested and shall be provided on the form attached as Appendix "C" to this Agreement.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

j) Pension Contributions While on Short Term Disability Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.
- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long-Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave provision and qualification for Long-Term Disability (LTD)/Long-Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short-term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked. Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short-Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day they may access their top up bank to top up their salary to 100%.

l) Sick Leave to Establish EI Maternity Benefits

If the Employee will be able to establish a new EI Maternity Benefit claim in the six weeks immediately following the birth of her child through access to sick leave at 100% of her regular salary, she shall be eligible for up to six weeks leave at 100% of her regular salary without deduction from the sick days or short-term disability leave days (remainder of six weeks topped-up as SEB).

Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees. It is not the mandate of the Committee to deal with matters that have been filed as central disputes. With mutual consent, additional items may be added prior to, or at the meeting.

b) The minutes will be produced by the CTA and agreed upon by the parties on an item-by- item basis. The minutes will reflect the items discussed and any agreement or disagreement on solutions. Where the matter is deferred, the minutes will reflect which party is responsible for follow-up. The minutes will be translated into the French language and authorized for distribution to the parties and the Crown once signed by a representative from both parties.

C7.6 Without Prejudice or Precedent

The parties to the Committee agree that any discussion at the Committee will be on a without-prejudice and without-precedent basis, unless agreed otherwise.

Required attendance outside of regular working hours may include, but is not limited to school staff meetings, parent/teacher interviews, curriculum nights, Individual Education Plan and Identification Placement Review Committee meetings, and consultations with board professional staff.

C10.00 CASUAL SENIORITY EMPLOYEE LIST

On or before September 1, 2016, school boards shall establish a seniority list for casual/temporary employees, where a list does not currently exist. This will be a separate list from permanent employees and shall have as its sole purpose to track length of service with the Board. Further, the list shall have no other force or effect on local collective agreements other than those that may already exist for casual/temporary employees in the 2008-12 local collective agreement.

* "General Nature of Illness" (or injury) suggests a general statement of a person's illness or injury in plain language without any technical medical details, including diagnosis. Although revealing the nature of an illness may suggest the diagnosis, it will not necessarily do so. "Nature of illness" and "diagnosis" are not congruent terms. For example, a statement that a person has a cardiac or abdominal condition or that s/he has undergone surgery in that respect reveals the essence of the situation without revealing a diagnosis.

Additional or follow up information may be requested as appropriate.

LETTER OF UNDERSTANDING #2

BETWEEN

The Canadian Union of Public Employees (Hereinafter 'CUPE')

AND

The Council of Trustees' Associations (Hereinafter the 'CTA/CAE')

Re: Status Quo Central Items and Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo or are altered as outlined below. The following language must, however, be aligned with current local provisions. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB – EI WAITING PERIOD

The parties agree that the issue of the statutory amendment to the *Employment Insurance Act* resulting in a reduction of the employment insurance waiting period has been addressed at the central table and the intent of any existing local collective agreement provisions shall remain status quo. Therefore, where a school board's local collective agreement language references a two-week waiting period and required payment for the two-week waiting period, the board shall ensure that the funds payable from the board to a permanent employee taking an approved leave of 12 months or greater, shall reflect the full sum that would have been payable prior to the reduction of the waiting period.

Provisions with regard to waiting periods and/or payments during such waiting periods shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein and to accord with the relevant statutory change that reduced the waiting period to one week.

STATUTORY/PUBLIC HOLIDAYS

School boards shall ensure that within their local collective agreement terms, Family Day is included as a statutory/public holiday.

WSIB TOP-UP

If a class of employee was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties who have not yet do so must incorporate those same provisions without

deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) month shall be included in the 2019-2022 collective agreement.

For parties who have yet to incorporate or aligned local language into the 2014-2017 collective agreement, the following shall apply:

Common Central Provisions

Maternity Benefits/SEB Plan

- a) A full-time and part-time permanent Employee who is eligible for pregnancy leave pursuant to the Employment Standards Act, shall receive *100% salary through a Supplemental Employment Benefit (SEB) plan for a total of eight (8) weeks immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Program (STLDP).
- b) Full-time and part-time permanent Employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.
- c) Where any part of the eight (8) weeks falls during the period of time that is not eligible for pay (i.e. summer, March Break, etc.), the full eight (8) weeks of top up shall continue to be paid.
- d) Full-time and part-time permanent Employees who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- e) Employees completing a long-term supply assignment of 6 months or more shall be eligible for the SEB as described herein for a maximum of eight (8) weeks or the remaining number of weeks in their current assignment after the birth of her child, whichever is less.
- f) Employees not defined above have no entitlement to the benefits outlined in this article.

SHORT-TERM PAID LEAVES

The parties agree that the issue of short-term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5

days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short-term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short-term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

RETIREMENT GRATUITIES

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day. The following language applies only to those employees eligible for the gratuity above.”

SICK LEAVE TO BRIDGE LONG-TERM DISABILITY WAITING PERIOD

Boards which have Long-Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short-term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

Re: Job Security: Protected Complement

The parties acknowledge that education workers contribute in a significant way to student achievement and well-being.

1. Effective as of the date of central ratification, the Board undertakes to maintain its Protected Complement, except in cases of:
 - a. A catastrophic or unforeseeable event or circumstance;
 - b. Declining enrolment;
 - c. Funding reductions directly related to services provided by bargaining unit members; or
 - d. School closure and/or school consolidation.

2. Where complement reductions are required pursuant to 1. above, they shall be achieved as follows:
 - a. In the case of declining enrolment, complement reductions shall occur at a rate not greater than the rate of student loss, and
 - b. In the case of funding reductions, complement reductions shall not exceed the amount of such funding reductions, and
 - c. In the case of school closure and/or school consolidation, complement reductions shall not exceed the number of staff prior to school closure/consolidation at the affected location(s).

Local collective agreement language will be respected, regarding notification to the union of complement reduction. In the case where there is no local language the board will notify the union within twenty (20) working days of determining there is to be a complement reduction.

3. For the purpose of this Letter of Understanding, at any relevant time, the overall protected complement is equal to:
 - a. The FTE number (excluding temporary, casual and/or occasional positions) as at date of central ratification. The FTE number is to be agreed to by the parties through consultation at the local level. Appropriate disclosure will be provided during this

consultation. Disputes with regard to the FTE number may be referred to the Central Dispute Resolution Process.

4. Once the FTE number has been established in accordance with paragraph 3, above, the local parties shall jointly report the number to the Central Labour Relations Committee.
5. Notwithstanding the provisions of the School Boards Collective Bargaining Act (SBCBA) requiring the ratification of both local and central terms for a collective agreement to be effective, the parties agree that CUPE locals and School Boards will meet within 30 days of ratification of the central agreement to establish and maintain the protected complement.
6. Reductions as may be required in 1. above shall only be achieved through lay-off after consultation with the union on alternative measures, which may include:
 - a. priority for available temporary, casual and/or occasional assignments;
 - b. the establishment of a permanent supply pool where feasible;
 - c. the development of a voluntary workforce reduction program (contingent on full provincial government funding).

 - b. DECEs
 - c. Secretaries
 - d. Custodians
 - e. Cleaners
 - f. Information Technology Staff
 - g. Library Technicians
 - h. Instructors
 - i. Supervisors

RE: Actuarial Variation

The Parties wish to affirm the importance of the CUPE Education Workers' Benefits Trust's annual actuarial report in ensuring the financial sustainability of the plan. As per section 16.3 of the CUPE EWBT Agreement and Declaration of Trust, these actuarial reports are made using actuarial assumptions in accordance with generally accepted actuarial principles.

The Parties acknowledge that the actuarial assumptions used, in particular those associated with the forecasted per-Full-Time Equivalent (FTE) funding increases for years which are not covered by a current collective agreement, may require the board of Trustees to make immediate decisions prior to the next round of bargaining.

Therefore, the Parties agree to amend the CUPE EWBT Trust Agreement as follows:

If the most recent actuarial report covers a year that is not part of the collective agreement, and the actuarial report includes a funding assumption of 0 per cent for that year, and if the Claims Fluctuation Reserve (CFR) is projected to be below 8.3% in such a year:

- There is no requirement for the trustees to make a plan design change; however, they may.
- There is a requirement for the trustees to develop a contingency plan in the event that the funding negotiated in central bargaining results in the CFR continuing to be projected to be below the 8.3% threshold, and the plan is to be shared with the central parties. The contingency plan must include the following elements, at a minimum:
 - 3 funding scenarios: no increase in funding, increases consistent with CPI, and increases equal to the average of the prior three years.
 - 2 costing scenarios: for example, inflationary trend increases and historical 3 year trend.
 - Proposed actions the trustees would take for each scenario: for example, plan reductions and administrative efficiencies.

If the most recent actuarial report covers a year that is part of the collective agreement, plan design changes will continue to apply where the CFR is projected to be below

8.3% in such a year or if the current year's CFR falls below 8.3%.

Finally, the Parties confirm that any decision to maintain or change benefits Plan design is at the discretion of the Board of Trustees, subject to any restrictions in the CUPE EWBT Agreement and Declaration of Trust, Collective Agreement, or the Income Tax Act and in accordance with their responsibility for the ongoing operations and long-term financial sustainability of the CUPE EWBT.

If necessary, the union may have an additional 30 minutes with the new employees at no cost to the Employer.

3.10 Union Business Leave

Upon written request received at least one (1) week in advance, leave of absence without loss of pay and benefits and without loss of seniority will be granted to an employee selected to attend to business of the Union. The Union shall reimburse the Employer for receipt of such pay. There may be requests that are given with short notice due to unforeseen circumstances.

ARTICLE 4 - DEDUCTION OF UNION DUES

4.01 During the term of this Agreement, the Employer agrees to deduct regular monthly Union dues and any initiations fees, as certified by the Union to be currently in effect according to the by-laws of the Union, from the wages of Union members. 6.05 Permanent Custodial Staff positions will be approved by the Board.

ARTICLE 7 – GRIEVANCE PROCEDURE

7.01 The employer will recognize three (3) Stewards. The Union will inform the Board of the names of its Stewards upon election. New lists will be forwarded to the Board regarding any changes.

7.02 The privilege of Stewards of the Grievance Committee and employees to leave their work without loss of basic pay to attend Union business is granted on the following conditions:

(a) Custodial Staff having grievances cannot discuss these with the Stewards or Grievance Committee members in working hours, except in the case of a discharged/disciplined employee or during a properly constituted break.

(b) The time will be devoted to the prompt handling of necessary grievance investigation.

- (c) The Stewards and members of the Grievance Committee concerned will obtain permission from the Manager of Custodial Services or designate before leaving their work to investigate or present the grievance. Such permission will not be unreasonably withheld.
 - (d) The time away from work will be reported to the Manager of Custodial Services or designate so that a proper record of same may be kept.
- 7.03 (a) A "grievance" will be defined as any difference arising from the interpretation, application, administration, or alleged violation of this agreement.
- (b) "A "party" will be defined as either the Union or the Employer."
 - (c) "Days" will mean regular work days unless otherwise indicated
 - (d) A grievance will include:
 - i) a description of how the alleged dispute is in violation of the Collective Agreement; and
 - ii) a description of when the alleged violation took place; and
 - iii) the clauses in the Collective Agreement alleged to be violated; and
 - iv) the relief sought (remedy);
 - v) the signature of the duly authorized official of the local Union and Employee.

7.04 An employee, with the concurrence of the Union, may initiate a complaint within ten (10) days after the employee or Union becomes aware of the circumstances, or could reasonably be expected to become aware of the circumstances giving rise to the grievance, with immediate supervisor, Manager of Custodial Services, who will answer the complaint within five (5) days after receipt of the complaint.

7.05 Grievance Procedure – Individual

In the case of a grievance by the Union on behalf of one of its members, the following steps will be taken in sequence where informal attempts to resolve the matter with the immediate supervisor have failed.

Step 1

If the reply of the immediate supervisor to the complaint as cited in 7.04, is not acceptable to the Union, within ten (10) days the Union may initiate a written grievance through the Manager of Custodial Services to the appropriate Board representative. The Board Representative will meet with the Union within ten (10) days. The Board representative will answer the grievance to the Union, in writing within five (5) days of such meeting.

Step 2

If the reply as issued at Step 1 is not acceptable to the Union, the Union may make a written request within five (5) days to the Senior Human Resources Official or designate with a copy to the Manager of Custodial Services who will meet with the Union within ten (10) days of receipt of the grievance. The Senior Human Resources Official or designate will answer the grievance to the Union, in writing, within five (5) days of such meeting.

Step 3

If the reply of the Senior Human Resources Official or designate is unacceptable to the Union, the Union may then apply for arbitration within twenty (20) days of receipt of the reply.

7.06 Grievance Procedure-Policy or Party

In the case of all other grievances by a party or of a policy, (including those on behalf of a group of Custodial Staff, an individual member, a retired or deceased member, when it pertains to language that was in the collective agreement in effect at the time of their employment), the party making the grievance may take the following steps in sequence to resolve the matter.

Step 2

If the reply of the President of the Union or the Senior Human Resources Official or designate, as the case may be, is not acceptable to the party making the grievance, that party may then apply for arbitration within twenty (20) days of the receipt of the reply.

7.07 Grievance Mediation

At any stage in the grievance procedure, the parties by mutual consent in writing may elect to resolve the grievance by using grievance mediation. The parties will agree on the individual to be the mediator and the time frame in which a resolution is to be reached. If there are any direct costs related to mediation they will be shared equally between the parties.

The time lines outlined in the grievance procedure will be frozen at the time the parties mutually agreed in writing to use the grievance mediation procedure. Upon written notification of either party indicating that the grievance mediation is terminated, the time lines in the grievance procedure will continue from the point at which they were frozen.

7.08 Discharge, Suspension and Discipline Cases

Any permanent Lead Custodian, Custodian or Supply Custodian who is discharged from employment with the Board, or suspended with or without pay will, for the purpose of this article, become an automatic grievance at Step 2 of the grievance procedure. Any investigation into a reported or observed issue that may result in discharge, suspension or discipline will be initiated by the Employer within a reasonable period of time upon gaining knowledge of the issue. The Employer will keep the Union updated during the investigation process. The investigation shall be concluded within a reasonable period.

ARTICLE 8 – ARBITRATION

8.01 Arbitration

If a grievance, including a policy grievance, is not satisfactorily settled pursuant to the provisions of Article 7, either party may, within twenty (20) days of receipt of the answer given in Step 3, Section

7.05 or of the decision given under Step 2, Section 7.06 hereof, notify the other party in writing, of its desire to submit the grievance to arbitration. The notice will contain the name and address of that party's appointee to the arbitration board. The party receiving the notice will, within five (5) days inform the other party of its appointee to the arbitration board. The two appointees will within five (5) days or such longer time as they may agree upon, appoint a third person who will be the chair. If the recipient of the notice fails to appoint an arbitrator, or if the two appointees fail to agree upon a chair within the time limit, either the Union or the Board may request the appointment of a chair by the Minister of Labour. Notwithstanding the provisions set out above respecting a Board of Arbitration, if the Employer and the Union mutually agree in writing that a particular grievance might be arbitrated by a single arbitrator, and if the Employer and the Union can agree on the selection of a single arbitrator in writing, then the grievance may be heard by such single arbitrator instead of a three (3) person Board of Arbitration.

- 8.02 The arbitration board will hear and determine the grievance, including any question as to whether a matter is arbitrable and will issue a decision.
- 8.03 The decision of the majority is the decision of the arbitration board, but if there is no majority, the decision of the chair governs.
- 8.04 The Board of Arbitration will not have any power to alter or change any of the provisions of this agreement or to substitute any new provisions for any existing provisions, nor to give any decision inconsistent with the terms and provisions of this agreement.
- 8.05 Each party will bear the fees and/or expenses of its appointee to the arbitration board; and any fees and/or expenses of the chair will be borne equally by the parties.
- 8.06 There will be no reprisals of any kind taken against any Custodial Staff or Employer designate because of participation in the grievance or arbitration procedure under this agreement.
- 8.07 Should the investigation or processing of a grievance/arbitration require that an involved employee or Union representative be released from regular duties upon approval from the Manager of Custodial Services, the employee will be released without loss of salary or benefits. Such approval will not be unreasonably withheld.

ARTICLE 9 - SENIORITY

- 9.01 For the purposes of this Article, "seniority" is defined as the length of continuous service since the most recent date of hire by the Simcoe Muskoka Catholic District School Board or a predecessor Board. (A "predecessor Board" is defined as a Board which was amalgamated to form part of the Simcoe Muskoka Catholic District School Board.)
- 9.02 Seniority will be established for all full-time and part-time permanent Custodial Staff after serving a probationary period of three (3) continuous months.
- 9.03 The Board will provide an up-to-date seniority list to each employee and a service list for each supply custodian twice a year, by February 15th and by September 15th of each year, indicating seniority to February 1st and September 1st of that year. Such seniority list will also be provided to the Local

Recording Secretary. Any questions regarding the accuracy of the seniority list must be submitted, in writing, to Human Resources, with a copy to the Manager of Custodial Services and Local Recording Secretary, within twenty (20) working days. The seniority list will be determined to be correct as published unless the accuracy is questioned within twenty (20) working days. A service list for each supply custodian will be generated when permanent positions are posted to identify supply custodians with the most hours paid to date.

The Board will provide an up-to-date seniority list to the Local Recording Secretary when such lists are required for staffing adjustments.

9.04 Seniority status, once acquired, will be lost only due to the following:

- (a) Resignation
- (b) Dismissal
- (c) Retirement
- (d) Lay off of twenty-four (24) consecutive months
- (e) Failure to indicate within three (3) working days of being notified of a recall from a lay off a willingness to return to work in a reasonable time.
- (f) Failure to comply with the terms of a leave of absence.
- (g) Absence without permission or notification acceptable to the Board.

Once an Employee has lost seniority as defined in Article 9.04 his or her employment with the Board will be considered terminated.

9.05 If any Employee of the Board who is not covered by this Agreement is the successful applicant to a position covered by this Agreement then their seniority will commence as of the date of transfer to the Union.

9.06 Permanent Custodial Staff absent due to proven illness or accident will continue to accumulate seniority only for the first twenty-four (24) months of such illness or accident or until the employee's sick leave credits are exhausted, whichever is greater.

9.07 In the event that a employee is promoted outside of the Union such employees will maintain their seniority status for a period not to exceed one (1) year. Such employees will continue to pay union dues during this leave. Employees who surpass the one (1) year period will lose all seniority. However, they may be rehired at day one status.

9.08 When multiple permanent jobs are being filled on the same date and multiple supply custodians have applied, supply custodians will be ranked in order of "hours worked" up to the most recent pay period as at the close of the posting to determine their seniority.

ARTICLE 10 - LAYOFF AND RECALL

10.01 In the event of a reduction in staff, a lay-off will be according to seniority on the seniority list. Probationary employees and those with the least seniority will be laid off first.

It is understood between the parties that in the event of a layoff, Supply Custodians will not be called in to cover for these absences or vacancies.

- 10.02 Any Employee will have the right to refuse any position due to travel requirements beyond forty (40) kilometers without forfeiting seniority rights.
- 10.03 Employees who are laid off will continue to accumulate seniority for up to twenty-four (24) months while on lay off.
- 10.04 An employee laid off will be given the opportunity of bumping, in order of seniority, any employee with less seniority in the following order:
- (a) any employee with less seniority in the same classification for which the employee is qualified to perform the duties of the job, if there is no less senior employee, then
 - (b) any employee with less seniority in the next lowest classification for which the employee is qualified to perform the duties of the job
 - (c) if the employee does not bump, then the employee will be laid off.
- 10.05 The Employee will make their decision to bump, and to which position, or to be laid off, within five (5) working days of receipt of notice of layoff. Such decision will be made in writing to the Manager of Custodial Services with a copy to Human Resources.
- 10.06 An employee who bumps into a position with less pay will have their pay level red circled until the pay they would earn in the new position catches up or exceeds that at which they were red circled.
- 10.07 (a) Where an employee has decided to accept a reduction in hours to remain at their work location, any increase in hours within twenty-four (24) months at that location will be offered to that employee up to their original hours prior to posting any remaining hours.
- (b) Employees who have changed positions under this article will have the right of reinstatement to a position, if such becomes available within twenty-four (24) months of accepting the new position. The employee will be reinstated at the salary step that would have been attained had there been no change in positions.
- 10.08 An Employee who is given notice of layoff may, in writing, waive the right of recall and receive a severance allowance equal to two (2) weeks salary for each year of service. The Board will have no further obligation to an employee who elects to receive a severance allowance and they will be considered terminated from employment with the Board.

ARTICLE 11 - RECALL PROCEDURE

- 11.01 An employee on lay-off and maintaining the right of recall will be entitled to recall in order of greatest seniority with the bargaining unit, provided the individuals have the skills and qualifications to fill the position for which they are recalled.
- 11.02 No new employee will be hired without first offering positions to those who are on lay-off, provided they are qualified and capable of performing the work for the available position(s).

- 11.03 An employee who accepts a position in accordance with this article will be reinstated as though there had been no interruption in service with full rights and benefits commencing on the date of reinstatement unless specifically modified by this agreement.
- 11.04 All employees eligible for recall will file with the Employer and the Union their most recent address and telephone number.
- 11.05 The Employer will send notice of recall to the eligible employee(s) on lay-off by registered mail.
- 11.06 If an employee is recalled to a permanent position from layoff within twenty-four (24) months of the date of layoff, the employee's seniority and sick leave will be reinstated as if there was no interruption in service.

APPENDIX A: OMERS DEFINITION OF CONTRIBUTORY EARNINGS

The following definition of contributory earnings under the OMERS pension plan is provided for information purposes only and is non-grievable. The parties will continue to be bound by any and all amendments to the OMERS pension plan.

Contributory earnings, in accordance with OMERS definition, must include all regular recurring earnings as follows:

- Base wages or salary;
- Regular vacation pay if there is corresponding service;
- Normal vacation pay for other-than-continuous full-time custodians. Include vacation hours in credited service;
- Retroactive pay (including any pay equity adjustment) that fits with OMERS definition of earnings for all custodians, including active, terminated, retired and disabled custodians;
- Lump sum wage or salary benefits which may vary from year to year but which form a regular part of the compensation package and are expected normally to occur each year (eg: payment based on organizational performance, some types of variable pay, merit pay, commissions);
- Market value adjustments (eg: percentage paid in addition to a base wage as a result of market conditions, including retention bonuses if they are part of your ongoing pay strategy and not a temporary policy);
- Ongoing special allowances (eg: flight allowance, canine allowance);
- Pay for time off in lieu of overtime.
- Danger pay;
- Acting pay (pay at a higher salary rate for acting in place of an absent person);
- Shift premium (pay for shift work)
- Ongoing long service pay (extra pay for completing a specified number of years of service);
- Sick pay deemed to be regular wages or salary;
- Salary or wage extension for any reason, eg: illness, provided service is extended (the custodian must be "kept whole" e.g., continuation of salary and benefits). If the custodian becomes employed in another position and begins contributing to any registered pension plan (except CPP), the balance of the extension period becomes unpurchasable service;
- Stand-by pay/call-in pay (pay for being on call, not pay for hours worked when called in)
- Living accommodation premiums provided (if paid as a form of compensation and not as a direct expense reimbursement);
- Ongoing taxable payments to pay for costs (eg. educational or car allowance);
- Taxable premiums for life insurance;
- Taxable value of provided vehicle or car allowance (eg. , if an employer provides an allowance (that is, expenses that are not reimbursed) then the allowance is considered part of contributory earnings. If an employer reimburses mileage, this reimbursement represents payment for gasoline, maintenance, insurance, wear and tear on the vehicle and license fees and should not be included as part of contributory earnings);
- Payments for unused accumulated sick days or vacation time, only on retirement and only if credited service is extended. When you include lump-sum payments for unused sick days or vacation time as contributory earnings, you must also extend the retirement date and the credited service by the number of days covered by the payment. The custodian's pension will begin on the first day of the month following the revised retirement date.
